

## Time Standards Process

The following is the process by which each time standard is calculated.

All time standards are set to the tenth. Swimmers must equal or better the standard to qualify. For example: 1:50.9 = 1:50.90 (1:50.90 qualifies, 1:50.91 does not qualify)

## Championship Standards

### Female 12 & Under, 13-14 / Male 13 & Under, 14-15

- The championship short course standards for the above age groups will be set by using the 5-year average of 32<sup>nd</sup> place using Alberta's overall Short Course season rankings. Low subscription events will be set using the FINA points of a similar discipline. (For example: 200 Fly set at 100 Fly FINA point)
- Long course championship standards will be calculated by adding 2%.

### Female 15 & Over / Male 16 & Over

- The championship long course standards for the above age group will be set by using the 5-year average of 16<sup>th</sup> place plus 5% using Alberta's overall Long Course season rankings. Low subscription events will be set using the FINA points of a similar discipline. (For example: 200 Fly set at 100 Fly FINA point)
- Short course championship standards will be calculated at 98% of the long course standard.

## Provincial Standards

The below process will be used for both short course and long course standards.

### Female 12 & Under / Male 13 & Under

- The provincial standard will be set at the championship standard plus 8%.

### Female 13-14 / Males 14-15

- The provincial standard will be set at the championship standard plus 7%.

### Female 15 & Over / Male 16 & Over

- The provincial standard will be set at the championship standard plus 6%.

## Festival Standards

### Female 10 & Under / Male 11 & Under

- All festival standards are short course only.
- The base standard will be set using the 5-year average of 64<sup>th</sup> place using Alberta's overall short course season rankings.
- The South Festival standard will be set 12% slower than the base standard.
- The North Festival standard will be set 22% slower than the base standard.

**Excellence, Integrity, Innovation, Collaboration**

## Para Standards

Swimming Canada sets the provincial para standards, Can Am standard + 15%.

## Youth Recognition

The youth recognition time standards will be based on the 10-year average of the rank for the award, rounded to the nearest tenth.

Top 5 - Based on Alberta rankings, short course only

- Female 10&U / Male 11&U
- Festival Events Only

Top 1 & Top 10 - Based on national rankings, short course and long course

- Female 11,12,13,14,15,16,17
- Male 12,13,14,15,16,17
