

Swimming Canda Rankings Help Document

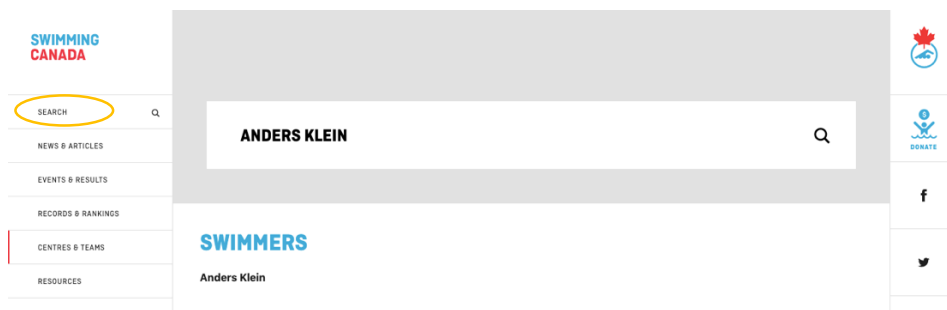

The Swimming Canada website is a great tool for searching and viewing swimmer data and rankings.

Instructions:

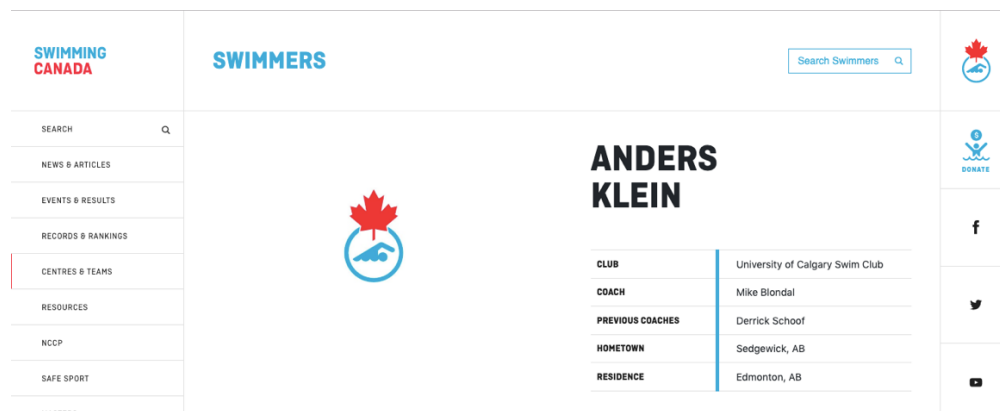

Go to www.swimming.ca.

Choose SEARCH and type in the Athletes Name

Select the swimmer from the search results and their profile and stats appear

Explore the swimmers individual events

- Choose the event and you can view past history
- Choose the time and it will give more details, including ranking
- Some features will not be on the Swimming.ca site. Use the swimrankings.net site for more info.

ANDERS'S PERSONAL BESTS

Not all features are currently implemented. Visit swimrankings.net to access missing features.
