Varsity Teams
2021-2022

Welcome to the 2021-2022 swim season. Swim Alberta looks forward to working with and supporting clubs as we emerge from the pandemic and begin to resume activities and programs in a more meaningful way. As always, please reach out to either myself or another staff member if there is anything we can do to help, guide or assist you in achieving a successful 2021-2022 season.

Swim Alberta approves all member clubs in the province. Swim Alberta member Clubs agree to abide by all policies, rules and regulations as well as the bylaws of Swim Alberta. As a member club familiarise yourself with all Swim Alberta policies and ensure you have read and understand the [Club Membership Renewal Policy](#).

In order to be approved for membership and maintain insurance coverage through Swim Alberta, clubs must complete the online affiliation form in full.

Through the online affiliation form, information will be collected required filings and any changes in operation. In addition, information regarding staffing, whether paid or unpaid, will be collected.

All clubs will be required to submit in order to be approved for membership:

- Waiver forms for access to RTR
- Affiliation fee payment

Swimming Canada sets rules and procedures for all aspects of swimmer, coach, and officials registration. Swim Alberta also has a set of policies, rules and regulations that it implements in addition to and to support, Swimming Canada's standards and requirements.

As we emerge from COVID-19, some requirements and guidelines remain in place. Please be sure to familiarise yourself with these by visiting our website, [Return to Swimming & Competition](#).

Affiliation and registration information is available on our [website](#). The affiliation form link will be sent to eligible clubs directly.

CLUB REGISTRAR – 2021-2022

Dear Club Registrar.

Thank you for taking on the role and responsibility of Club Registrar. Each swim club in the province of Alberta is a member of the national governing body for swimming called Swimming Canada and the provincial governing body called Swim Alberta. All governing organizations are required to report on membership in return for government sport funding. Statistics are obtained directly from the data collected in the Registration Tracking and Results System (RTR). With your assistance to provide accuracy, we can comply with our requirements and continue to benefit from strong government support, virtually all of which is directed towards the support of swimmers, coaches and clubs. For this reason, all swim clubs are required to process all registrations to Swim Alberta and Swimming Canada via the RTR. An individual's registration is required to be completed within two weeks of commencing participation.

GETTING STARTED:

The Provincial Registrar will have provided you with a *Registrar Waiver form*, which outlines the obligation and commitment to protect swimmers' personal information. Each Club is required to return the completed waiver to Swim Alberta prior to obtaining access to the RTR.

ADDITIONAL USERS:

As the Registrar, you have the ability to add Meet Managers and provide them limited access to the RTR. Team Managers, COA's, and Treasurers will be required to complete the appropriate waiver form and return it to Swim Alberta prior to obtaining access.

RESOURCES:

The Provincial Registrar is your direct resource and contact.

Support Request: a support request tab is located in the site menu for technical assistance in the registration system.

[Swimming Canada National Registration Procedure and Rules Manual](#) (Scroll to Resources). This document provides the details of Swimming Canada's Registration fees, rules and procedures.

SWIMMER REGISTRATION:

Confirm a valid email address for each swimmer/family before beginning the registration process. Do not assume that the email address that is in the RTR from the last registration is correct. An invalid email address or the club email address shall not knowingly be entered by the Club Registrar as it would prevent communication concerning options regarding Canadian Anti-Spam Legislation, privacy consent and/or registration information.

Swimmer registration is considered complete when:

1. the swimmer invoice is marked as paid;
2. the primary contact information and swimmer information in the system has been confirmed by the parent/guardian/swimmer (required annually);
3. the Acknowledgement and Assumption of Risk Form is electronically signed (new registrants only);
4. preference to receive commercial emails has been indicated (as per the Personal Information Protection and Electronic Documents Act, PIPEDA); and
5. the swimmer/parent/guardian has agreed to comply to the [Swimming Canada Code of Conduct and Professional Ethics Policy and abide by all other Swimming Canada Policies](#).

Completed registration is indicated by the swimmer status showing as 'Registered' and with a check mark ✓ in the 'Account Updated' column on the Swimmer List page. Entries for a swim meet can only be accepted when the swimmer's registration is complete.

COACH REGISTRATION:

Please confirm a valid email address for all coaches prior to initiating a registration – and advise them on this requirement. Do not assume that the email address in the RTR from last year is still valid or the one they currently use. Coach registration is only complete once the status states '**Registered**'.

If the coach status is '**Requirements not Met**' or '**Non-Compliant Coach**' the coach has not yet completed all compliance requirements.

Wishing you a good swimming season,

SWIMMER - 2021-2022 REGISTRATION

Dear Swimmer/Parent/Guardian,

Welcome to the 2021-2022 swimming season! Please take a moment to review this brief explanation of the swimmer registration process required of all swim clubs.

Each swim club in the province of Swim Alberta is a member of the national governing body for swimming called Swimming Canada and the provincial governing body or Provincial Section (PS) called Swim Alberta. In return for government sport funding, all governing organizations are required to report on membership. Non-identifying statistics are obtained directly from the data collected in the Registration Tracking and Results system (RTR). With your assistance to provide accuracy, we can comply with our requirements and continue to benefit from strong government support, virtually all of which is directed towards the support of swimmers, coaches and clubs. All swim clubs are required to process all registrations to Swim Alberta and Swimming Canada via the RTR. The final steps of registering with your swim club includes answering four mandatory questions:

1. Signing the Acknowledgement and Assumption of Risks Form
2. Agreement to abide by Swimming Canada's policies
3. Indication of your preference to receive emails of a commercial nature
4. Confirmation of primary contact and demographic information related to your family and swimmer(s) in the RTR.

In addition to the mandatory questions, there are four optional declarations to be completed in the RTR. Providing this information is voluntary and will be used for statistical and informational purposes. It will not be used by your Provincial Section or Swimming Canada for any prohibited purpose as per The Canadian Human Rights Act and Provincial Human Rights legislation.

1. **Indigenous Descent** – asked so that the Provincial Section knows which swimmers are eligible for the North American Indigenous Games and to perhaps direct families and/or clubs toward any event or funding opportunity within the Province. In some Provincial jurisdictions, these statistics are also required as part of government funding reporting requirements. You have four options to choose from:
a) Status/Treaty, b) Non-Status, c) Métis or d) Inuit.
2. **Impairment Declaration** – helps Swimming Canada, Swim Alberta and your swim club to direct opportunities that are specifically targeted to swimmers with a disability (Para Swimmers) There are three options to choose from: a) Physical, b) Visual or c) Intellectual.
Refer to: <https://www.swimming.ca/en/resources/> see: RESOURCES/PARA-SWIMMING
3. **Hard of Hearing** – assists in identifying individuals who may be eligible for participation in events specifically targeted to swimmers who are deaf/hard of hearing.
4. **Citizenship** – identifies individuals who are not eligible to set National records or represent Canada in an international competition. If the swimmer is not a Canadian Citizen or Permanent Resident (Landed Immigrant) please be sure to indicate this as the default to this question is Canadian citizen.

NOTE: It is only upon answering the above questions in the RTR that you/your swimmer are considered officially registered and a member of [INSERT NAME OF CLUB] and then covered by insurance. This registration process must be completed before entries into a swim meet can be submitted and accepted. Your information is held by the Club, Swim Alberta and Swimming Canada in compliance with the [Swimming Canada Privacy Policy](#).

Thank you and have a great swimming season!
