**Year Round & Masters Clubs  
2022-2023**

Welcome to the 2022-2023 swim season. Swim Alberta looks forward to working with and supporting clubs. As always, please reach out to either myself or another staff member if there is anything we can do to help, guide or assist you in achieving a successful 2022-2023 season.

Swim Alberta approves all member clubs in the province. Swim Alberta member Clubs agree to abide by all policies, rules and regulations as well as the bylaws of Swim Alberta. As a member club familiarise yourself with all Swim Alberta policies and ensure you have read and understand the [Club Membership Renewal Policy](#). In order to be approved for membership and maintain insurance coverage through Swim Alberta, clubs must complete the online affiliation form in full.

Through the online affiliation form, information will be collected required filings and any changes in operation. In addition, information regarding staffing, whether paid or unpaid, will be collected.

All clubs will be required to submit in order to be approved for membership:

- Copy of current audited or signed financial statements - presented to membership at AGM
- Copy of current Proof of Filing - stamped by Registrar of Corporate Registries (if incorporated)
- Copy of most recent AGM Minutes
- Waiver forms for access to RTR
- Affiliation fee payment

Swimming Canada sets rules and procedures for all aspects of swimmer, coach, and officials registration. Provincial sections, such as Swim Alberta, have the obligation to ensure clubs and club registrants are informed and follow the rules as outlined in the [National Registration Procedures and Rules](#). Swim Alberta also has a set of policies, rules and regulations that it implements in addition to and to support, Swimming Canada's standards and requirements.

Affiliation and registration information is available on our [website](#). The affiliation form link will be sent to eligible clubs directly.

Swim Alberta policies are available on our [website](#).

Thank you.

Registration information:

All swimmers, coaches, and officials must complete the Acknowledgement & Assumption of Risk form, unless having previously done so. Swimmers, coaches, and officials can access the form through the RTR (Registration Tracking & Results) database.

[Swimming Canada National Registration Procedures & Rules](#) - Swimming Canada sets rules and procedures for all aspects of **swimmer, coach and officials** registration. It is the club's responsibility to ensure it has read and understood this policy.

Swimmer registration is considered complete when they show as **Registered** on Swimming Canada registration database.

[Swim Alberta Coach Registration and Minimum Requirements](#) - Swim Alberta has adopted and approved requirements for all coaches working for an affiliated Swim Club in Alberta. Coaches are considered registered when they meet compliance.

#### **COACH COMPLIANCE – PLEASE READ CAREFULLY**

In order to maintain a high standard of Safe Sport in today's sport environment, the compliance deadline of 30 November 2022 (or within 30 days if registered after 30 November) will be strictly adhered to.

Concessions and extensions such as submitting payment receipts, taking coaching courses after the deadline, or others, will no longer be accepted. Accepting of concessions jeopardizes our ability to deliver a safe sport environment putting our athletes, coaches, staff, and board members at risk.

Clubs will be required to have compliant coaches actively participating in delivering programs.

Clubs with non-compliant coaches actively participating in club programs will not be considered in good standing with Swim Alberta. Clubs are required to ensure adequate coaching is provided to deliver programming to members at the standards set by Swim Alberta.

Non-compliant coaches may be reinstated/reactivated at a later date once compliance requirements are met

Officials - The RTR database is used to track the qualifications of officials. Officials are considered registered when they update their account at the beginning of each swim season, sign the Acknowledgement & Assumption of Risk form, and consent to Swimming Canada policies. Clubs will require a Club Officials Administrator as all new officials must be entered into the online database before they can access the Introduction to Swimming Officiating, Safety Marshal, Chief Timer, and Clerk of Course E-learning modules. All officials must have active accounts in the registration system prior to accessing the E-Learning modules and being on deck in an officiating capacity.

Pre-Competitive Membership Category - Available to I Can Swim and Learn to Swim aged 17 and under, and PARA Specific programs.

The swim season runs 1 September to 31 August; all memberships, regardless of when a member joins, expire on 31 August.

## CLUB REGISTRAR – 2022-2023

Dear Club Registrar,

Thank you for taking on the role and responsibility of Club Registrar. Each swim club in the province of Alberta is a member of the national governing body for swimming called Swimming Canada and the provincial governing body called Swim Alberta. All governing organizations are required to report on membership in return for government sport funding. Statistics are obtained directly from the data collected in the Registration Tracking and Results System (RTR). With your assistance to provide accuracy, we can comply with our requirements and continue to benefit from strong government support, virtually all of which is directed towards the support of swimmers, coaches and clubs. For this reason, all swim clubs are **required to process all registrations** to Swim Alberta and Swimming Canada via the RTR. An individual's registration is required to be completed within two weeks of commencing participation.

### GETTING STARTED:

The Provincial Registrar will have provided you with a *Club Registrar Compliance Declaration*, which outlines the obligation and commitment to protect swimmers' personal information. Each Club Registrar is required to return the completed declaration to the PS prior to obtaining access to the RTR.

### RESOURCES:

The Provincial Registrar is your direct resource and contact.

*Club Registrar Guide* (links located in the RTR on the user's Updates page)

*Meet Manager Guide* (links located in the RTR on the user's Updates page)

Support Request: a support request tab is located in the RTR for technical assistance for the registration system. [Swimming Canada National Registration Procedure and Rules Manual](#) (Scroll to Resources). This document provides the details of Swimming Canada's Registration fees, rules and procedures.

### SWIMMER REGISTRATION:

Confirm a valid email address for each swimmer/family before beginning the registration process. Do not assume that the email address that is in the RTR from the last registration is correct. An invalid email address or the club email address shall not knowingly be entered by the Club Registrar as it would prevent communication concerning options regarding Canadian Anti-Spam Legislation, privacy consent and/or registration information.

Swimmer registration is considered complete when:

1. the Provincial Registrar marks the swimmer invoice as paid;
2. the primary contact information and swimmer information in the system has been confirmed by the parent/guardian/swimmer;
3. the Acknowledgement and Assumption of Risk Form is electronically signed;
4. preference to receive commercial emails has been indicated (as per the Personal Information Protection and Electronic Documents Act, PIPEDA); and
5. the swimmer/parent/guardian has agreed to comply to the [Swimming Canada Code of Conduct and Professional Ethics Policy and abide by all other Swimming Canada Policies](#).

Completed registration is indicated by the swimmer status showing as 'Registered' and with a check mark ✓ in the 'Account Updated' column on the Swimmer List page. Entries for a swim meet can only be accepted when the swimmer's registration is complete.

### COACH REGISTRATION:

Please confirm a valid email address for all coaches prior to initiating a registration, do not assume that the email address in the RTR from last year is still valid or the one they currently use.

Coach registration is considered complete when:

1. the Provincial Registrar marks the PSO coach invoice as paid;

2. the CSCA Registrar marks the CSCA invoice as paid;
3. the coach information in the system has been confirmed by the coach;
4. the Acknowledgement and Assumption of Risk Form is electronically signed;
5. preference to receive commercial emails has been indicated (as per the Personal Information Protection and Electronic Documents Act, PIPEDA);
6. the coach/parent/guardian has agreed to comply to the [Swimming Canada Code of Conduct and Professional Ethics Policy and abide by all other Swimming Canada Policies.](#);
7. screening as per Swim Alberta and the CSCA has been completed;
8. minimum level of coach education has been achieved;
9. valid police/vulnerable sector search check as been submitted; and
10. approved Safe Sport Training has been completed.

Coach registration is only complete once the status states '**Registered**'. If the coach status is '**Requirements not Met**' or '**Non-Compliant Coach**' the coach has not yet completed the Swimming Canada, PSO or CSCA Requirements for Registration as indicated above.

**Wishing you a good swimming season,**

## SWIMMER - 2022-2023 REGISTRATION

Dear Swimmer/Parent/Guardian,

Welcome to the 2022-2023 swimming season! Please take a moment to review this brief explanation of the swimmer registration process required of all swim clubs.

Each swim club in the province of Alberta is a member of the national governing body for swimming called Swimming Canada and the provincial governing body or Provincial Section (PS) called Swim Alberta. In return for government sport funding, all governing organizations are required to report on membership. Non-identifying statistics are obtained directly from the data collected in the Registration Tracking and Results system (RTR). With your assistance to provide accuracy, we can comply with our requirements and continue to benefit from strong government support, virtually all of which is directed towards the support of swimmers, coaches and clubs. All swim clubs are required to process all registrations to Swim Alberta and Swimming Canada via the RTR.

The final steps of registering with your swim club includes the following mandatory steps:

1. Confirmation of primary contact and information and preferred language related to your family and swimmer(s) in the RTR
2. Indication of your preference to receive emails of a commercial nature
3. Confirmation of Canadian citizenship status – identifies eligibility of swimmer to set records or national team selection.
4. Signing the Acknowledgement and Assumption of Risks Form
5. Agreement to abide by Swimming Canada's policies

**NOTE: It is only upon completing the above steps in the RTR that you/your swimmer are considered officially registered and a member of [INSERT NAME OF CLUB] and then covered by insurance. This registration process must be completed before entries into a swim meet can be submitted and accepted.**

Your information is held by the Club, Swim Alberta, and Swimming Canada in compliance with the [Swimming Canada Privacy Policy](#).

In addition to the mandatory questions, there are five optional declarations that may be completed in the RTR. Providing this information is voluntary and will be used for statistical and informational purposes as well as for program development. It will not be used by your Provincial Section or Swimming Canada for any prohibited purpose as per The Canadian Human Rights Act and Provincial Human Rights legislation.

1. **Gender Identification** – allows swimmers to self-declare their gender identification (Cisgender, Non-Binary, Transgender). This optional self-declaration will have no effect on the gender of registration but will provide valuable information in order to continue to develop and grow programming.
2. **Indigenous Descent** – identifies eligibility for the North American Indigenous Games and/or regional/provincial funding opportunities (if available). In some Provincial jurisdictions, these statistics are also required as part of government funding reporting requirements.
3. **BIPOC Declaration** – this optional self-declaration will provide information for government reporting and to develop and grow programming.
4. **Impairment Declaration** – helps Swimming Canada, Swim Alberta, and your swim club to direct opportunities that are specifically targeted to swimmers with a disability (Para Swimmers)

Refer to: <https://www.swimming.ca/en/resources/>

5. **Hard of Hearing** – assists in identifying individuals who may be eligible for participation in events specifically targeted to swimmers who are deaf/hard of hearing.

Thank you and have a great swimming season!
