# INDEPENDENT AUDITORS' REPORT 

## To the Members of Swim Alberta Association

We have audited the accompanying financial statements of Swim Alberta Association, which comprise the statement of financial position as at June 30, 2013, the statements of operations, changes in net assets and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

## Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

## Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained in our audit is sufficient and appropriate to provide a basis for our qualified audit opinion.

## Page 2

## Basis for Qualified Opinion

In common with many charitable organizations, Swim Alberta Association derives revenue from donations, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of Swim Alberta Association. Therefore we were not able to determine whether, as at and for the year ended June 30, 2013, any adjustments might be necessary to donation revenue and excess of revenues over expenses reported in the statements of operations, changes in net assets and cash flows and current assets and net assets reported in the statement of financial position.

## Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion, the financial statements present fairly, in all material respects, the financial position of Swim Alberta Association as at June 30, 2013, and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

## Other matter

Our audit was made for the purpose of forming an opinion on the financial statements taken as a whole. The supplementary information included in Schedules 1 and 2 is presented for additional analysis and is not a required part of the financial statements. Such information has been subjected to certain audit procedures applied as part of the audit of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements as taken as a whole.

## Comparative information

We draw your attention to notes to the financial statements which describes that Swim Alberta Association adopted Canadian accounting standards for not-for-profit organizations on July 1, 2012 with a transition date of July 1, 2011. These standards were applied retrospectively by management to comparative information in these financial statements, including the statements of financial position as at June 30, 2012 and July 1, 2011 and the statements of operations, changes in net assets and cash flows for the year ended June 30, 2012 and related disclosures. We were not engaged to report on the restated comparative information and as such, it is unaudited.

# SWIM ALBERTA ASSOCIATION 

Notes to Financial Statements
Year ended June 30, 2013

Swim Alberta Association (the "Association") is a not-for-profit organization incorporated under the Societies Act of Alberta. Its primary activity is to promote amateur swimming in Alberta. The Association is exempt from income taxes under Section 149(1) of the Income Tax Act.

On July 1, 2012, the Association adopted Canadian accounting standards for not-for-profit organizations, Part III ("Part III") in the CICA Handbook. These are the first financial statements prepared in accordance with Part III.

In accordance with the transitional provisions in Part III, the Association has adopted the changes retrospectively, subject to certain elections allowed under these standards. The transition date is July 1, 2011 and all comparative information provided has been presented by applying Part III.

There were no transitional adjustments recorded on the adoption of Part III.

## 1. Significant accounting policies:

(a) Financial instruments:

Financial instruments are recorded at fair value on initial recognition. Freestanding derivative instruments that are not in a qualifying hedging relationship and equity instruments that are quoted in an active market are subsequently measured at fair value. All other financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value. The Association has not elected to carry any such financial instruments at fair value.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the effective interest rate method.

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Association determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the Association expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future period, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

## SWIM ALBERTA ASSOCIATION

Notes to Financial Statements (continued)
Year ended June 30, 2013

## 1. Significant accounting policies (continued):

(b) Contributed services:

A substantial number of volunteers contribute a significant amount of their time each year. Due to the difficulty of determining the fair value, contributed services are not recognized in the financial statements. Accommodation and certain overhead costs incurred in the administration of Swim Alberta Association, borne by the Province of Alberta, are not reasonably estimable and consequently are not reflected in these financial statements.
(c) Revenue recognition:

The Association follows the deferral method of accounting for contributions which includes donations and government grants. Restricted contributions are recognized as revenue in the year the related expenses are incurred, or, for fixed period restricted government grants, based on the period in which the grant relates. Unrestricted contributions are recognized as revenue when received or receivable if the amount can be reasonably estimated and collection is reasonably assured. Contributed materials and services are recognized in the financial statements when their fair value is reasonably estimable.

Affiliation and registration fees, donations (including Swim-A-Thon donations), programs, courses and fees, Olympic bonus, and interest income are recognized as revenue when earned.
(d) Inventory:

Inventory is stated at the lower of cost and net realizable value. Cost is determined on a first-in, first-out basis. Net realizable value is defined as selling price less cost to sell.
(e) Capital assets:

Capital assets are stated at cost, less accumulated amortization. Capital assets are amortized using the declining balance method at the following annual rates:
Asset Rate

Office equipment
20-55\%
(f) Investment in Limited Partnership:

Investment in Limited Partnership is recorded at cost. If the recoverable value of an investment declines below cost and this decline in value is considered to be other than temporary, the investment is written down to recoverable value.

## SWIM ALBERTA ASSOCIATION

Notes to Financial Statements (continued)
Year ended June 30, 2013

1. Significant accounting policies (continued):
(g) Use of estimates:

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. Actual results could differ from those estimates.
2. Term deposits:

The term deposits mature between July 2013 and June 2014 (2012: July 2012 to June 2013) and bear interest at $0.8 \%$ to $1.0 \%$ (2012: 1.0\% to 1.2\%).

## 5. Deferred contributions (continued):

## 6. Athlete Development Fund:

By resolution of the Annual General Meeting, incremental revenues generated from a $\$ 0.25$ increase in the Olympic Bonus fee have been set aside to be utilized toward programs for athlete development on an annual basis.

## SWIM ALBERTA ASSOCIATION

Year ended June 30, 2013

## 7. Commitments:

The Association is committed to provide several annual athletic bursaries of \$1,000 and \$3,000 per year up to 2018. The commitments outstanding as of June 30, 2013 are \$137,000 (2012 $\$ 70,000$ ).
8. Investment in Limited Partnership:

In 2010, the Association determined that the carrying value of its investment in Alberta Satellite Bingo had been impaired. Accordingly, a provision for impairment of $\$ 15,000$ was recognized in the statement of operations.
9. Financial risks and concentration of risk:
(a) Credit risk:

Credit risk refers to the risk that a counterparty may default on its contractual obligations resulting in a financial loss. The Association is exposed to credit risk with respect to grants and accounts receivable and term deposits. The Association assesses these items on a continuous basis and provides for any amounts that are not collectible in the allowance for doubtful accounts.
(b) Liquidity risk:

Liquidity risk is the risk that the Association will be unable to fulfill its obligations on a timely basis or at a reasonable cost. The Association manages its liquidity risk by monitoring its operating requirements. The Association prepares budget and cash forecasts to ensure it has sufficient funds to fulfill its obligations. There has been no change to the risk exposures from 2012.
