## President and Executive Director Message

With a start of a new swim season upon us, we look back on the 2016-2017 competitive season and celebrate the many achievements of our athletes, coaches, clubs and Swim Alberta as an organization.

Our athletes were represented on a number national teams, including senior, junior and para. The major international competitions this year included the 2017 FINA World Championship (Rachel Nicol – LASC); 2016 FINA World SC Championships (Rachel Nicol – LASC, Jason Block – UCSC, Peter Brothers – UCSC); 2017 FISU Games (Danica Ludlow – UCSC); 2017 FINA World Junior Swimming Championships (Alexander Pratt – CASC). Unfortunately, the 2017 World Para Swimming Championships were postponed due to the earthquakes in Mexico (Morgan Bird – CASC).

Team Alberta (Swimming) sent 32 swimmers and seven staff to the 2017 Canada Summer Games which were held August 5 – 13 in Winnipeg. Swimming earned a total of 38 medals at the games in addition to seeing 11 Alberta provincial records broken and 4 National Age Group Records set. Cole Pratt was Alberta's Flag Bearer at the Closing Ceremonies, achieving 10 medals at the games and leading the charge in setting 10 new provincial records and 4 Canadian Age Group National Records.

Over this past year, Swim Alberta undertook extensive consultations with the membership and stakeholders to develop a strategic plan that will guide the organization over the next several years. The mission of Swim Alberta is to: “govern, lead and support competitive swimming”, with an eye to a vision of “Every swimmer has the opportunity to reach their full potential”. Three strategic directions will focus the work of Swim Alberta over the next 8 year period and include: Provide programs, services and support to maximize all aspects of competitive swimming; Lead and inspire a culture of professionalism; Create growth and life-long opportunities through an inclusive membership.

Working in partnership with our clubs, coaches and stakeholders over the next several years, will help us achieve what we have set out in the 2017-2024 Strategic Plan. In the fall of 2016, the Swim Alberta board undertook a financial sustainability review as a critical and necessary part of the strategic planning process. The review included an in-depth look at our current financial picture, future program and services needs as well as the identified financial risks to the organization.

A new provincial competition format was launched in 2016-2017. The review for this competition structure was completed the previous year in consultation with the Alberta Coaches Council, High Performance Advisory Committee to align the provincial competitions to the national calendar and long course season. A review of the changes implemented in 2016-2017 was completed and modifications were made for the upcoming 2017-2018 year.

The past year also saw the organization review and put in place new structures for operations. This included re-aligning staffing and committee structures to ensure Swim Alberta has the foundations for continued growth of the sport as well as ensuring strong leadership of our operational committees.

On behalf of the board and staff of Swim Alberta – thank you to the many athletes, coaches, volunteer officials, volunteer club board members and staff for the continued contribution you make to the sport of swimming and the swimming community. We look forward to another year of success and growth in 2017-2018, through our continued partnerships with all of you.

Sincerely,

Dean Schultz, President  
Cheryl Humphrey, Executive Director
