

## Officials Roster Samples

The following rosters are examples and can be adjusted based on the needs of the competition. Individuals may do multiple roles in order to limit the number of officials on the pool deck and maximize the number of swimmers based on the facility space and ensuring physical distancing. The final roster must be finalized prior to the competition in consultation with the referee.

### Minimum Officials Roster – Example 1

Manual Timing (Watches) – 6 Lanes / 9 Officials Total
