

2022 Canada Summer Games Swimming Technical Package

Technical Packages are a critical part of the Canada Games. They guide the selection of athletes by prescribing the age and eligibility requirements, assist Host Societies by detailing competition formats and scoring procedures, assist provincial/territorial mission team (P/T Team) Chefs de Mission in verifying eligibility, identify the maximum number of participants permitted, advance coaching certification by stating minimum requirements and generally contribute to athlete development by identifying each National Sport Organization's (NSO) version of athletes in the "Train to Compete" phase of its Long Term Athlete Development Framework (LTAD), or other suitable phase of the framework as justified by the NSO, discussed with the LTAD expert group, and approved by the Canada Games Council (CGC) Sport Committee.

Every Games' technical representative, coach, manager, sport leader and mission staff has an obligation to read and understand every aspect of the Technical Package. Failure to do so could cost an athlete their eligibility for the Games or could affect final standings or the conduct of the competition. If someone does not understand an aspect of a Technical Package, they are to seek clarification from the CGC Sport Committee through their Chef de Mission or NSO.

Technical Packages are developed 36 to 24 months prior to Games primarily by NSOs, following the Principles that Govern Technical Packages, guidelines and requirements of the CGC. As the overall governing body of the Games, the CGC has the ultimate authority over Technical Packages, but this authority is exercised only with the knowledge and understanding of the concerned NSO. Generally, Technical Packages are developed by sport, but in certain cases may be developed by discipline.

If an individual wishes to seek clarification or initiate a change to a Technical Package leading up to a Games, the request should be first directed to the NSO or the Chef de Mission. The NSO or Chef de Mission will evaluate the merits of the request and will, if it has merit, submit the requested change or clarification to the CGC's Sport Department for consideration. The NSO or Chef de Mission will provide the rationale for the request. Changes to age groups, eligibility requirements, team sizes or staff complements will not be considered within 36 months of the Games. Additions or changes to events/competition formats that result in a significant cost increase to the Host Society will not be considered within 24 months of the Games, unless approved by the CGC and the Host Society. Substantive changes to events or competition formats will not be considered within 18 months of the Games, unless approved by all participating Provincial/Territorial Sport Organizations (P/TSO) and the CGC. Minor corrections will be considered at almost any time, but will be increasingly difficult to achieve within six [6] months of the Games. These time frames reinforce the importance of complete understanding of the Technical Package by Games' stakeholders early.

5. COMPETITION

5.1. Safe Sport

Swimming Canada believes that athletes, coaches, officials, support staff and volunteers have the right to participate in a safe and inclusive sport environment that is free of abuse, harassment and discrimination.

Swimming Canada is dedicated to providing a safe and inclusive environment, which involves promoting Open and Observable Environments. This means making meaningful and concerted efforts to avoid situations where a coach/official/staff member, etc. might be alone with an athlete. All interactions between an athlete and an individual who is in a position of trust should normally, and wherever possible, be in an environment or space that is both ‘open’ and ‘observable’ to others.

All participants in this event are reminded that they are bound by Swimming Canada’s Policies and Procedures, including but not limited, to the General Code of Conduct, the Equity, Diversity and Inclusion Policy, and the Harassment Policy.

8. SPORT SCORING POINTS

Sport scoring points are a tool used to determine the performance of a P/T Team across all events within a sport. At the conclusion of an event, sport scoring points will be awarded using the following criteria:

8.1. Individual Events

- Athletes will be ranked from first through last place
- If an athlete does not finish or is disqualified, the athlete will not receive sport scoring points
- Swimmers that scratch from finals will not score
- Each Province/Territory's two (2) best placings per event will count towards sport scoring
- If there is a tie, points will be shared equally between competitors (i.e. If two swimmers are tied for first then each would receive 98.5 points $[(100+97)/2]$ and 3rd place points would be awarded to the next finisher)
- The ranking of PS swimmers within each event shall be based on scores from the Canadian Paralympic Points chart. Once "order of finish" is determined by ranking Para-swimming points, swimmers will then score according to the schedule below. See Appendix 4 for Para swimming protocols
- Sport scoring points will be awarded based on the chart below

Pos	PTS	Pos	PTS	Pos	PTS	Pos	PTS	Pos	PTS
-----	-----	-----	-----	-----	-----	-----	-----	-----	-----

8.2. Team Events

- Teams will be ranked from first through last place
- If a team does not finish or is disqualified, the team will not receive sport scoring points
- Teams that scratch from finals will not score
- If there is a tie, points will be shared equally between teams (i.e. If two teams are tied for first then each team would receive 98.5 points $[(100+97)/2]$ and 3rd place points would be awarded to the next finisher)
- Each event will be scored separately
- Sport scoring points will be awarded based on the chart below

Placing	Points	Placing	Points	Placing	Points

9. FLAG POINTS

Games to Games performance by a P/T Team at the Canada Games is measured by accumulated Flag Points. Every P/T Team is awarded Flag Points for its ranked performance in each sport in which it competes.

In Swimming, Flag Points will be awarded separately for female and male events based on the total of sport scoring points awarded.

After ranking the P/T Teams from first to last, and after any ties have been resolved as detailed in [Section 10 \(Tie Breaking Rules - Flag Points\)](#), Flag Points will be awarded as follows:

Placing	Points	Placing	Points	Placing	Points
1st	10	6th	5	11th	1.5
2nd	9	7th	4	12th	1
3rd	8	8th	3	13th	0.5

10. TIE BREAKING RULES - FLAG POINTS

In the event of a tie between two or more Provinces/Territories, the team winning the most gold medals will be awarded an extra swimming point. If there is still a tie, the team winning the most silver medals will be awarded the extra swimming point, if still tied, the team with the most bronze medals, etc.

11. MEDALS

The Canada Games will award medals to athletes only. Gold, silver and bronze medals will be presented for each event.

For PS events determination of medals will be based on the Canadian Paralympic Points chart and will be awarded using the combination of same stroke events and ranked. The following are the combination of PS event and sport classes for medals:

sport and to support harmonized, coordinated and effective anti-doping measures in Canada. Any Canada Games participant (athlete, coach, manager, technical support, or other person) found to have committed an anti-doping rule violation at the Canada Games (as determined pursuant to the CADP) will be subject to all of the penalties and consequences, as outlined in the [Canadian Anti-Doping Program](#).

16. APPENDICES

Please review the attached appendices as they form an integral part of this technical package.

- APPENDIX 1 - Coach Certification Requirements
- APPENDIX 2 - Performance Guidelines
- APPENDIX 3 - Age Dispensation
- APPENDIX 4 - Swimming Canada Para Swimming Protocols

APPENDIX 1 - COACH CERTIFICATION REQUIREMENTS

Coaches are directed to

https://www.swimming.ca/content/uploads/2015/09/copy-of-2017-coach-development-pathways-all-en-1_edited-dec-2017.pdf for comprehensive information on coaching certification and the certification pathway.

APPENDIX 2 - PERFORMANCE GUIDELINES

The following Performance Guidelines have been established by the respective NSO, at the request of the CGC and the Federal-Provincial/Territorial Sport Committee (FPTSC) to reflect the expected training and/or performance parameters of a typical Canada Games athlete in the Training to Compete phase of LTAD. These Performance Guidelines have been developed as a tool for P/T teams to use at their discretion in the training and selection of their Canada Games teams. These Guidelines are not required selection criteria.

Swimming Canada encourages Provincial/Territorial organizations to consider baseline minimum standards when selecting their respective Canada Games Teams. At all steps of athlete identification and selection, P/Ts are asked to ensure athletes are prepared for the competitive environment of Canada Games. When in doubt Swimming Canada recommends utilization of Canadian Junior Championship Time Standards as a benchmark for minimum performance levels of all athletes. These standards may be reviewed at <https://www.swimming.ca/en/standards-and-preliminary-competition-information/>.

APPENDIX 3 - AGE DISPENSATION

Swimming Canada Age Exemption Procedure 2022 Canada Games

All underage Paralympic and Special Olympic athletes (2009 or younger) must be approved by Swimming Canada (SC) prior to their acceptance for participation in the 2022 Canada Games (CG).

Swimming Canada sets a minimum age for participation in CG to ensure the participation of all involved is of an equal, safe and supportive environment. As CG will host Paralympic Program and Special Olympic Program events in 2022, Swimming Canada must be confident that all attendees have had the appropriate training and race experience to participate in the events which are scheduled.

Swimming Canada recognizes that the safety of all individuals within the field of play is of the utmost importance and identifies that younger athletes may not have the experience needed to participate at this level of competition. Younger athletes should be continuing to train and gain experience through racing in more age and skill level appropriate environments.

Therefore, in order to receive approval from Swimming Canada to participate as an underage athlete, the athlete's province/territory must present evidence that the nominated athlete(s) has the appropriate experience, skill (physical) and mental performance level to obtain success in a Games competition environment across all disciplines.

In order to be considered for underage exemption, the following items must be submitted along with the completed exemption form signed by all parties involved:

- Letter of recommendation for nomination by coach (with reason)
- Letter of recommendation for nomination by province/territory
- Letter of recommendation for nomination by parent
- Evidence of athlete's experience 'racing up' with Games-aged athletes including results
- Copy of athlete's results from January 2021 – April 2022

Swimming Canada reserves the right to deny any request for underage participation.

APPENDIX 4 - SWIMMING CANADA PARA SWIMMING PROTOCOLS

Preliminaries

- Swimmers will be Senior seeded (not circle seeded) by time in each of the eligible events for preliminary heats.
- Performances from preliminaries will be assigned a point score from Canadian Paralympic Points chart; the 8 highest point scores will advance to the A final. (this means a total of 8 swimmers will swim in the combined events, not 8 in each)

Finals

- All finals will be seeded by time and there will be an A final for the sport classes in the 50 backstroke and an A final for the sport classes in the 100 backstroke, up to a maximum of 8 swimmers in the combined events. For example:
 - The performances from the 50 backstroke A final and the 100 backstroke A final will be scored using the Canadian Paralympic Points chart.
 - The scores from all swims in the two A finals will be merged and ranked from highest to lowest point scores to determine medal positions and final ranking order.
- For example

○ John Smith S7	100 back	989 pts.	Gold
○ Bill Black S5	50 back	900 pts.	Silver
○ Jeff Blue S5	50 back	895 pts.	Bronze
○ Fred Williams S14	100 back	841 pts.	4 th
○ Sal Gonzalez S10	100 back	800 pts.	5 th
○ Matt Walker S14	100 back	766 pts.	6 th
○ Sean Gordon S11	100 back	732 pts.	7 th
○ Greg Watts S13	100 back	658 pts.	8 th
- This protocol will be applied to the 200/400 freestyle event; 50/100 backstroke event; 50/100 breaststroke event; 50/100 butterfly event and 150/200 Individual Medley event as outlined above.
