

Excellence, Integrity, Innovation, Collaboration

## Nominees for the Board of Directors of Swim Alberta Profiles of Candidates – 2019 AGM

### **Anderson, Baerach**

Baerach has been involved in the swimming community in Alberta for a combined 24 years as a swimmer and volunteer. His involvement began as a competitive year round age group swimmer and later at collegiate level within Alberta and now continues with the Edmonton Masters Swim Club with a competitive focus. Over the past four years Baerach has been a member of the Swim Alberta Board serving the role of Vice President for past 3 years and has served upon the Governance Committee.

When not in the pool or with his young family, Baerach practices law as a solicitor at the law firm of Prowse Chowne LLP in Edmonton with a focus on corporate, commercial, and real property transactions.

### **Holloway, Thomas (Tom)**

Tom is a tenure-track finance and governance instructor at the University of Calgary's Haskayne School of Business and the father of three grade-school aged swimmers at the University of Calgary Swim Club. He is a CFA Charterholder, has professional experience in investment management, and cofounded hybrid wealth technology firm Responsive AI where he is a director and employee. With the University, Tom contributes to the management and governance of several organizations including supervisor to Calgary Portfolio Management Trust, advisor to Canadian Centre for Advanced Leadership, consultant to Alberta Real Estate Foundation, and coauthor of a corporate finance textbook. Tom has studied and worked in Edmonton for over 5 years and Calgary for over 7 years.

Away from work, Tom is a busy parent, active volunteer with the swim club, and enjoys skiing and cycling. He still enjoys competing recreationally occasionally in bike races and previously competed in junior nationals and the Canada Games in road and mountain biking. He rowed for McGill University for a short yet competitive and rewarding career in varsity sport – highlights were winning the McGill-Queens challenge and traveling by motorhome to New Orleans for the Mardi Gras Invitational.

### **Schultz, Dean**

Dean is just completing six years on the Board of Swim Alberta where he has served as President for the last five. Dean has been an active member of the swimming community for over 40 years as a swimmer, coach and volunteer. He started coaching with the St. Albert Sailfish in the late 1980's and has coached with the Olympian Swim Club, was head coach of the Grand Prairie Piranhas, head age group coach of UCSC and Head Coach of the Calgary Masters Swim Club. Dean brings experience from all aspects of swimming from summer club, competitive year round swimming, university swimming and masters swimming. He has served on the board of the Sears I Can Swim Program and has just supported the transition of that program from the management under Talisman Centre to one of the provincial sporting organizations in order to better have an impact on learn to swim programs across the country.

Dean has a BSc in Mathematics, is a Chartered Accountant (CA, CPA) and has the Corporate Finance (CF) qualification and currently sits on a number of private and public company boards. Dean holds the position of Senior Vice President, Business Operations at Brookfield Asset Management in their private equity group.

---

Govern, lead and support competitive swimming.
