

NATIONAL JUNIOR TEAM SUPPORT *2022-2023*

Alberta First

All funding programs will be limited to athletes living in Alberta, training in Alberta and representing an Alberta program on a year-round basis.

Purpose

The National Junior Team Support Fund is to support athletes towards the program costs for designated Junior National team (Swimming Canada) for which they have been selected.

Eligible Athletes

Athletes representing an Alberta program who have qualified for the Swimming Canada National Junior Team. Athletes must represent an Alberta program at the Canadian Swimming Trials and/or the Canadian Swimming Championships and be training in Alberta on a full-time basis. The Swimming Canada National Junior Team is defined as the designated National Junior Team event for the season.

Program

Athletes qualifying for the National Junior Team will have access to a share of \$10,000, up to a maximum of \$1,000. Funds will be paid to the athlete's home club to be deposited into the swimmer's account or paid directly to the swimmer at their request or request of parent/guardian.

Program Timeline

Swimmer qualifies for the National Junior Team support at the National Junior Team Selection Competition. Coach and swimmer notified by Swim Alberta as to eligibility and payout.

Designated Teams

Swimming Canada National Junior Team events include either the FINA World Junior Championships or the Junior Pan Pacific Championships. The designated team is to be confirmed by Swimming Canada.
